VOLUNTEER FORM

Why volunteer at SMCCU ?

Sheikh Mohammed Centre for Cultural Understanding was established in the year 1998 under the moto "Open doors. Open minds", opening our doors to share the Emirati culture and traditions, as well build bridges of understanding amongst the people living in the UAE. By volunteering at SMCCU, you can support the message of tolerance and understanding that the centre aims to spread and help pass on the Emirati heritage. You can join our daily programs in Al Fahidi Historical Neighborhood, Jumeriah Mosque and Majlis, and during our events.
